Scott Stasny

William Scott Stastny of West Chicago, Il, age 63, died unexpectedly in the early morning of August 22, 2019 after checking into the Central DuPage Hospital emergency room. Scott was born to Edwin & Gladys Stastny in May of 1956. His love of cars might have been sparked as he was transported home from the hospital in Edwin's 1955 Studebaker Commander. From a very early time Scott showed an aptitude for anything mechanical by disassembling old lawn mower motors and such. Of course repairing / rebuilding automobiles really took hold in high school during a time when American iron ruled the roads. Even before he obtained a driver's license he was practicing his craft on hand-me-down cars that his older brother Ed would use for transportation. While still in high school, Scott apprenticed at a local Chrysler / Plymouth dealership which lead to employment at a local auto parts store (Alpha Auto Parts). After moving into a position as an auto paint representative for PPG, he moved to West Chicago. Not entirely happy in the corporate world, he began to moonlight in the evenings at a local garage with a couple other locals (which would eventually include Ron Hall). At some point he came to the conclusion that he could make a living of the business, took over the building and created DeLuxe Auto Werks. Over the decades of sole proprietorship, through the many highs and lows of the business, Scott completed numerous award winning cars for many happy owners and was therefore a familiar face in numerous antique automobile club gatherings (Pierce Arrow Society, Studebaker Drivers Club, AACA, Packard Automobile Classics, & CCCA). He also had been active on many charity organization including Special Olympics. Scott's other interests include various other restoration related activities of his turn of the century home and antique outboard motors. He also enjoyed the outdoors through camping, fishing, and gardening. He will be sorely missed by his many friends and brother. The Society extends its sincerest condolences on behalf of its members to the Stasny family.

PIERCE-ARROW VEHICLES FOR SALE

1922 Series 33 Four Passenger Touring \$85,000

The car is the only Series 33 equipped with Distel disk wheels. The car has Westinghouse air springs, recent new leather upholstery, recent new tires/tubes and both large and small tool kits. A very strong running tour car that has completed seven Modoc Tours. There are extra parts including an engine.

1927 Series 36 Enclosed Drive Limo \$75,000

Car was owned by E.W. Oberhause and was displayed in his museum. This car was totally restored from the ground up with no dollar spared. I was charged with the care and custody of this great car. Due to a medical condition, I may not be able to do this in the next year. This is the only reason that I would ever part with this piece of history.

Dual Spare Kit

I have available two (2) sets remaining of my Series 80 dual spare tire conversion project. It is installed on eight Series 80 cars. The set will likely work for other Models / Series, but of that, I am unsure. If you are interested contact me for details / dimensions. The price for the complete seven (7) piece set is \$550 USD, including S&H within the continental USA. Each set includes five (5) cast silicon bronze pieces, two (2) steel stabilizer rods and all necessary stainless steel fasteners (nuts, bolts and flat & lock washers). Delivery is three to five days after receipt of order, with shipping via USPS Priority Mail. Any questions? Contact me at the email address shown or give me a call between 8:00 AM and 9:00 PM, Eastern time. NOTE: For anyone interested, you do not have to hunt for an additional split rim. Coker Tire will make a split rim for you. I had them do it and sent them a dimensional drawing of the rim, including the placement of the tube stem hole and where the split should be relative to the tube stem hole. They offered a closure snap, but I had them skip that for me and had a local blacksmith create a Series 80 style closure (easy to do). The rim is identical to the original and has run on the car without a problem for the past 5 years.

Gemmer Steering Box Bearing Kit

I am offering Gemmer steering box replacement bearings for both sides of the single tooth 1929-31 steering boxes. These left the factory with white metal races and have failed many times. This is the third run of this set. \$125.00 per set. Shipping \$3.50. This includes two replacement bearings with bushings and hardened washers, enough to repair one box. Questions, e-mail me. Thanks, Karl

High-speed Gears for Model 48s

I am making a run of high-speed gears (2.9:1) for Pierce-Arrow 48 hp cars from 1909-1920. If I get enough orders, the price goes down significantly. \$2,000-\$3,000 depending on the quantity. I have made 2 runs before and they have been operating in cars with no problems. Please let me know if you are interested. Scott.

Leather Hood Corner Kit

Leather hood corner kit. Includes 4 corners, 8 stainless steel rivets, and 8 stainless steel washers. Correct for all 1929 and mid-1930 Pierce-Arrows. Can be used on earlier series also. Mid-1930 went to 4 rubber corners. Our kit will replace these also, but for judging they should be rubber (if the judge knows Pierces). Also fits many other makes of automobiles. Price \$30, shipping by USPS first class: \$3.75 Thanks, Karl.

Valve Lifter Brackets for Series 80

1925-27 Series 80 replacement lifter bracket sets. Just completed a third run of these. They are available fully machined, ready to install for \$700.00 plus \$15 shipping (in the USA) for a set of one front and one rear bracket (drilled, bored, honed and ready for your lifters). These old brackets crack and break. If you have a welded set on your car, order a set now. Don't wait till the lifter turns and grinds off your cam lobe! This project was a limited number of sets so if you own a Series 80, buy them now and put on the shelf till needed. They may never be produced by anyone else again. Please e-mail me for any questions or additional photos. These are in stock now. Can deliver to Hershey. Many sets are installed and keeping happy owners on the road here in the US and abroad.

Rails and Sweet Trails Back to **HERSHEY** 2020

Hello Friends!

It's hard to believe, but it's been 33 years since the Pierce-Arrow Society visited the Hershey area, and it's high time to get re-acquainted!

So, mark your calendars for June 9-13, 2020, and make trails to make sweet memories. And it's not just Hershey, but parts of Lancaster and York counties! Along with some fabulous car and truck collections, there are opportunities to take a trolley and a train ride, visit the National Watch and Clock Museum, the National Toy Train Museum, and a 72 year old Shoe house to name a few. All this without even mentioning being able to catch up with old friends and make new.

So, it's Rails and Sweet Trails Back to Hershey!

We hope you will join us!
Karl and Mary Krouch

63rd Annual
Pierce-Arrow Society Meet
JUNE 9 - 13

Look for more details in upcoming PAS mailings! Mark your calendars today!

TUESDAY - Early Bird Tour - Largest collection of player pianos, coin operated music boxes, Carusel bands and organs, vintage cars and the worlds largest slinky! Classic Auto Mall (a converted shopping mall) for a walking tour of hundreds of cars, including Pierce-Arrows.

WEDNESDAY - Tour of the new AACA Headquarters and AACA & PAS Libraries. We'll board Hershey Trolleys to tour the town of Hershey, learn about the man and his vision, and sample chocolate products. We return to AACA HQ for lunch after which we head downtown for a tour of the Hershey Museum including many of Milton Hershey's personal items. Optional Hershey tours will be available to AACA Museum and Chocolate World.

THURSDAY - Big Trains & Little Trains. Ride the Strasburg Railroad, visit the National TCA Toy Train Museum, and visit the Pennsylvania Railroad Museum. Evening includes ladies Tea and guest speaker.

FRIDAY - Tour around the 1-mile wide Susquehanna River to see the Jay Christ Package and Milk Truck Collection, visit the 3 story "Shoe House," catered lunch along the river and the National Watch and Clock Museum. Flea Market Friday evening.
