

NOVEMBER 2019

2019 NO. 6

The **EMPORIUM** features ads and announcements of interest to PAS members. A printed copy is sent with each mailing and it is also available on the Pierce-Arrow Society website at www.pierce-arrow.org. Advertising space is free to PAS members, but the PAS reserves the right to accept, edit, and/or omit ads. All "For Sale" ads must include prices.

PAS members may submit their ads online using the PAS website or mail them to:

PAS Emporium
1195 Massey Road
Grafton, ON, K0K 2G0
Canada

All ads regardless of submission format, will appear in both the printed copy of the Emporium and the online version. Ads will remain online for 60 days before they are automatically removed.

The advertising or mention of projects, products, or services does not imply endorsement by the Pierce-Arrow Society.

TRANSITIONS

Ernie Follis

Ernest Follis passed away on October 13, 2019 in Vista, California at the age of 91. Ernest grew up in Norwalk, California. He is survived by two brothers, Chuck and Richard, and three sisters, Ruth, Ellene and Mary Anne. He is also survived by two sons, Jim (Donna) and Ken (Jody), 5 grandchildren and 6 great-grandchildren. Ernie was always a hard worker and started his own wood moulding manufacturing business in the early 1960's. He was an organizing director of a bank, worked with service clubs and enjoyed golf. Most of all, he loved cars and all things related to collecting, restoring and showing cars, especially Pierce-Arrows. His car hobby included the constant search for and the fabrication of parts. He hosted numerous Pierce-Arrow Society regional and national events at his home in Vista so that members could enjoy his awesome collection. Ernie was very active in the Pierce Arrow Society, Foundation and Museum, serving as a Trustee for the Pierce-Arrow Foundation for 20 years. He donated the P-A "Waldon" prototype that resides in the Pierce-Arrow Museum. The Pierce-Arrow Foundation has established an Ernie Follis Memorial Fund in his honor. Donations can be sent to PO Box 309, Whitehall, MI 49461. Ernie will be greatly missed by family and his many Pierce-Arrow friends. The Society extends its sincere condolences to the Follis family on behalf of its members.

David Harris

David O. Harris of Fridley, Minnesota passed away on September 22, 2019 at age 85. Dave was a past president of the Pierce-Arrow Society. He was the driving force in the founding of the Pierce-Arrow Museum located at the Gilmore Car Museum complex at Hickory Corners, Michigan. Dave

served as the first chairman of the Board of Trustees of the Pierce-Arrow Foundation. He was active in the Classic Car Club of American and the Horseless Carriage Club of America. One of his favorite events was the annual New London to New Brighton Antique Car Tour in Minnesota. Remembrances can be made to the Pierce-Arrow Museum Building Fund c/o Stuart Blair, 321 Miami Valley Dr., Loveland, OH 45140-8824. The Society extends its sincerest condolences on behalf of its members to the Harris family.

Jeffrey R. Harper

Jeffrey R. Harper, D.D.S. passed away at Lodi, California on September 8, 2019 at the age of 69. Dr. Harper was a member of the Pierce-Arrow Society. He owned several pre-1920 Pierce-Arrow cars. The Society extends its sincerest condolences on behalf of its members to the Harper family.

PIERCE-ARROW VEHICLES FOR SALE

1930 Model B Sedan \$22,000

This car is not for everyone. But it draws crowds, ask anyone that was at the Kerrville TX meet. Yes it does run and drive, very well in fact. It is a very "original" and "patina'd" car that is a lot of fun to drive. The car starts, stops and drives as good as any restored Pierce I have ever driven. Many repairs and restoration done, but care was taken to keep it in the preserved state that it is in. Please email or call with any questions.

**Sean & Tonya Ornduff, 23523 Lutheran Cemetery Rd, Tomball, TX 77377
H: 832/492-5553 Email: ornduffsean@yahoo.com**

1932 Model 54 Club Sedan \$80,000

Purchased from Bob Sands in 2007. Since then, added AC, custom made radiator, Gear Vendors overdrive, spin-on oil filter, electric priming pump, rear turn signals, master electrical switch, paper air filter, coolant filter, and modern sealed-bearing water pump. Engine and transmission completely disassembled and rebuilt, including new pistons and cylinder sleeves. Excellent restored interior and very nice exterior. Excellent driver.

**Joe Vogt, 1534 South Kirkwood Road, Houston, TX 77077
H: 281/787-7082 O: 281/787-7082 Email: joe@bestviews.net**

1926 Series 80 Runabout \$42,000

1926 Series 80 Runabout (2 dr Convertible), matching numbers, complete frame-off restoration. Motor completely rebuilt, all new tires. Car is in excellent condition.

PARTS & SUPPLIES FOR SALE

"Pierce-Arrow Legacy"

Book for Sale: "Pierce-Arrow Legacy", authored by Mrs. Eleanore Leigh, great granddaughter of George N. Pierce. May be ordered on Amazon.com by book title. George N. Pierce had dreams and knew how to bring them into reality. His faith and his ability to make wise choices created a harmonious work force in his factory and his family. Journey with me to experience the faith and development of a man who "Never Despaired" (his family coat of arms), how he kept persevering and finally produced a successful business and superior product, the Pierce Arrow car. He began with household items; birdcages, ice chests, washing machines, then branched into bicycles and finally invented the most desired automobile in his time.

1929 Pierce-Arrow Motor

I have for sale a 1929 engine for a coach-built 144 limousine that I am never going to finish. The late Ernie Foster from Gardena Ca. built this engine, and is probably the very last engine he rebuilt before passing away. The engine was completely rebuilt, everything that needed to be done. I spent more than this asking price. Includes a rebuilt clutch, otherwise it is a "long block" I do have accessories that we can make a package deal. Please email or call. Asking \$15,000.

1933 - 1934 Headlight Lenses

These are exact copies of the very rare left and right Multi-Beam lenses that were used only in these two years and only in Pierce-Arrows. Single glass lens prices went into 4 figures in the 1990's and continue to rise. This is a limited quantity Museum fundraiser. These reproductions look and feel authentic. Durable, forever clear, non-yellowing Lexan-like acrylic. If you have been searching for original lenses with no success, can't afford them, or have older yellowed plastic copies, then these quality reproductions are your solution. If you tour a lot, why risk damaging the valuable glass originals? Bill Morris & Dave Stevens worked with PAS member Bill James to produce a small production run of high quality reproduction lenses, donating labor and material costs. We were sold out last year, but a few more pairs are now available. If you have a 1933 or 1934 Pierce-Arrow, don't miss this limited opportunity. \$700 Pair plus \$15 USA shipping.

**Send check payable to: PAS-GAG Museum Projects, PO Box 309, Whitehall, MI 49461
or call Dave at 231-740-6610 to purchase with Visa or MasterCard between 10 AM and 10 PM EST.**

1933-38 Running Board Rubber

The Pierce-Arrow Museum has correct reproduction running board rubber for your 1933-1938 Pierce. An excellent quality at a fair price of \$600 a pair. This is one of the Museum fundraising projects. Help your car and the Museum by ordering online at: pierce-arrowmuseum.org

BENDIX Vacuum Cylinder Oil

Original formula lubricant for 1936-38 Power Brake Vacuum Cylinders in a reproduction collector can. Also appropriate for other similar brake or clutch cylinders. Instructions are included. Developed by Bob Koch, this is a practical item that also looks good on the shelf. Bob & Diane generously donated these to the Pierce-Arrow Museum as a fundraiser to solve an issue that many of us didn't know how to address. \$30.00 Postpaid in the USA. Send Check to "PAS- GAG Museum Projects" or call Dave at 231-740-6610 to order by phone with a Visa/MasterCard.

NOS 1930s Pierce-Arrow Clock

NOS, never used 1930s Pierce-Arrow Clock in superb original condition. Marked PIERCE and JEWELED on the clock face with beautiful beveled edge glass. A near perfect example. Additional photos available upon request. \$585.00.

**John Lowell, 20 S Covington Meadows, St Louis, MO 63132 O:314/724-1493
Email: jlowell@lowellmfg.com**

P-A Clock & 4 Others

1 P-A clock and 4 clocks that could be for other cars, I don't know. 2 are 8-day Waltham gold, 1 is just the case, 3 are stem winders. Call or email with questions. I would like to get rid of the bunch. I had 2 P-A clocks and had the watchmaker use the one he thought was the best. As far as I know it is complete, less the long stem. \$100.

Rear Vent Window Rubber

I have one 15 foot length of extruded rubber, made specifically for replacing rear vent window rubber in 34/35 sedans, may fit other years. This is an "H" shaped rubber you have to trim and fit, but dimensions are correct to fit the metal frame and window frame. \$125 shipped in continental US.

David W. Coco, 104 Peach Orchard Lane, Winchester, VA 22602-6611 H: 540/533-2885 David.Coco@comcast.net

Steering Stabilizer

Stop that (sometimes violent) steering wheel shaking with this steering stabilizer. This is a shock absorber that will dampen the back-and-forth motion of the steering linkage, which shows up as the steering wheel shaking. One end of the stabilizer clamps onto the front axle of the car. The other end clamps onto the tie rod. It is a very easy installation and does not require any drilling, welding or modification of your car. It is well hidden behind the axle and splash pan. The axle clamp will fit up to a 3 inch wide axle and the tie rod clamp will fit up to a 1-1/4 inch diameter tie rod. I have used one on my 1929 Model 133 for many years. It will definitely fit 1929-1931 Pierce-Arrows and I have fit it to a Series 80 Pierce. It will likely fit many other makes and models. Please contact me with any questions. Price is \$150.00 USD plus \$20.00 shipping in the US. Pay Pal, check or money orders accepted. Call or email for international shipping. Please call Eastern time.

Robert Bujak, 359 Hall Hill Rd., Somers, CT 06071 H: 860/930-4728 Email: rjb2957@cox.net

V-12 Cap & Rotor sets

The Pierce-Arrow Museum has reproduced high quality distributor caps & rotor sets to keep your Pierce 12 running down the road smooth & steady. The set is priced at \$1,150, lower than NOS caps alone, more than a decade ago. NOS caps are almost unobtainable today. Pictures are on the Museum website. Correct screw type connectors are also available. Help your car and the Museum by ordering at: pierce-arrowmuseum.org.

**David & Diana Stevens, P.O. Box 309, Whitehall, MI 49461
H: 231/894-2281 O: 231/740-6610 Email: davenstevens@msn.com**

Vent Window Bracket Replacements

New CNC machined replacements for the vent wing window brackets on '34 to '38 closed cars available. I had a few extra made on the last machining order. The number 70302 is cast into the original bracket partly hidden by the worm gear when assembled. The original part listed in the '34-35 parts book seems to be "#772388, Bracket, wing operator". That number does not appear on the 70302 casting itself. They are used on both front and rear vent windows and the same part was used left and right. Many appear to be handed left/right because the original die cast part gets twisted from over-torquing through the years. (Note: the worm and sector gear pairs themselves are handed but fit the same bracket.) These are not reproductions of the original die cast zinc parts but are machined from solid 6061-T6 aluminum and designed to be much stronger than the originals. Made in USA. \$120 each plus \$10.00 per order S&H.

Jim Chase, 2353 Queen Anne Court, Reno, NV 89509-3578 Email: chaseaero@charter.net

PIERCE-ARROW VEHICLES WANTED

Motorcycle

I am looking for a Pierce motorcycle that I can ride (i.e. it's driveable) because I'd like to use it. Possible trades could include: 1926 Stutz Vertical 8 Victoria Coupe or a 1929 Nash 460 Advanced Coupe (the big one).

Steve Rossi, PO Box 280, East Haddam, CT 06423 H: 248-470-5788 Email: sldmrossi@aol.com

PARTS WANTED

WANTED FOR: 1931 Model 42

I recently purchased a 1931 Model 42 7-Pass Sedan and I am looking for parts. This is for a car that I will be keeping forever and I plan on staying a PAS member at least that long. My needs: Stewart Warner fuel pump in any condition, UUR2 carburetor in any condition, window cranks, foot-rest bracket (1), running board light (round), spare tire lock assembly (1), front light reflector for the small inner one (1), hood latch parts (I need at least two of everything), ammeter, a tail light set I can use on the right side, left side engine splash pan, rear lower body panel (the ribbed panel down low between the fenders over the fuel tank. Mine is mangled pretty well). Thanks for looking at my list. I appreciate all the help I find here.

Bjorn Anderson, 4033 W Broadway, Robbinsdale, MN 55422
